**Student Deadline:**
Students must contact their school/department for deadline. All award and fellowship nominations must be submitted by your school/department. We will not accept any self-nominations.
The Educational Opportunity Fellowship (EOF) is designed to enable promising students who are first generation college graduates and who do not fare well in conventional competition for graduate fellowships. Students who have attended marginally adequate or inadequate schools; who have been required to work excessively while attending school; or whose social and economic background made acquiring education an unreasonably difficult enterprise are encouraged to apply.

Please tell us about factors that have limited the opportunities available to you, your academic goals and aspirations, and why you believe you should be awarded an EOF.
