Additional Student Deliverables

Please attach the following items as a PDF:

- A brief **statement of your need for continued financial support** to complete your degree
- **Curriculum vitae/resume** (including public service activities and volunteerism)
- A **personal statement** (maximum 2 pages, single spaced, .5" margins or larger, 11-point font or larger) addressing your academic goals and the relationship of public service and volunteerism to these goals
- **Transcripts** (unofficial) of undergraduate and graduate work, including those from Indiana University and other institutions

Other required items:

Please ask the recommender to submit these items directly to your department.

- **Two concise letters of recommendation** by faculty that describe your academic record and progress, commitment to public service, and promise as a leader in your field
- **One supporting letter** from a public service agency or organization where you have volunteered that states the agency's mission, how you contributed to that mission, the duration and commitment of time volunteered, and the impact of your efforts
