

Quadrant 4 (Q4) International Requirements

Please include the language below in Q4 if your programs falls into one of these 4 categories:

1. Admits international students and offers a summer term (summer session)
2. Does not consider international applicants for admission (program consideration)
3. Has a different deadline for international applicants (application deadline)
4. Is a part-time program (part-time programs)

Summer Session:

- Summer I only (East): If you are an international student applying for a program that begins in the summer, you need to begin your classes in the first summer term (summer I). If you have selected summer II please return to the program catalog page and update your term.
- Summer I only (Kokomo): If you are an international student applying for a program that begins in the summer, you need to begin your classes in the first summer term (summer I). If you have selected summer II please return to the program catalog page and update your term.
- Summer I only (Northwest): If you are an international student applying for a program that begins in the summer, you need to begin your classes in the first summer term (summer I). If you have selected summer II please return to the program catalog page and update your term.
- Summer II only (South Bend): If you are an international student applying for a program that begins in the summer, you need to begin your classes in the second summer session (summer II). If you have selected summer I please return to the program catalog page and update your term.
- Summer II only (Bloomington): If you are an international student applying for a program that begins in the summer, you need to begin your classes in the second eight weeks (summer II). If you have selected summer I please return to the program catalog page and update your term.

Quadrant 4 (Q4) International Requirements
