How to Get Access to WebAdMIT

To request access to WebAdMIT, complete the Access Request form.

1. The individual who needs access must complete the required [FERPA tutorial](#) and sign the [Acceptable Use Agreement](#).
2. Navigate to the [WebAdMIT Access request form](#).
3. Select the Work Group required, add program codes you will need access for, and click the **Submit** button.

Work Groups

Each WebAdMIT User will be assigned to a Work Group. Work Groups include what a user can do, and what a user can see. The table below lists the various Work Groups and the permissions assigned to each Work Group. When completing the request form, you must select which Work Group you need to be assigned to.

Work Groups	Permissions
Applicant Interviewer	Can view applicants assigned to them and complete review forms for those applicants only.
Admissions Committee (Assigned Applicants)	
Admissions Committee (All Applicants)	View All Applicants: allows users to view information for all applicants that they are responsible for. View Other User's Assignment/Interview Results: allows users to view any applicant's Assignments and Interviews, both on the Applicant Details page and on the Search Assignments and Search Interviews screens.
